

The Fable of American Capitalism

Best exemplified by *The Goose
That Laid the Golden Egg*.

Programmed, then, to keep on
laying to the delirium of spec-

ulators & thieves plus
their enraptured, panting foils.

Well, goose proved contrived
of plywood & cardboard toilet
paper inserts, & just blew apart!

Presently, begging progresses to
reconstruct the whole fantasy. Plug in
the same lies. & liars. O Suckers Reborn!

Frank lives in Florida, which has boomed
and busted so often, it can sometimes
get confused as to which phase it's in.
